## Sanitary Bed Comforters

To buy a Comforter is like buying a cat in a sack, you don't know what is inside the cover, you have the merchant's word for it. And we say this, years ago manufacturers of comforters thought any old cotton was good enough for comfort filling, some do yet-and the person that had one of these rag bags certainly was disgusted with ready made comforts. But comforters have improved year-by year until now we can sell you comforters so beautiful inside that there is no need of making comforters at home.

Comforters from the smallest crib size at 60c each to the large bed size at \$4.50 each.
